

# Port Ellen Marina

## Sailing Directions

From the "GREEN" entrance buoy ( $\frac{1}{2}$ n.m. SE of the lighthouse) steer north to intersect the line between the Carrraig Fhada lighthouse and the main pier head. Turn stbd to approx. 060 T staying on that line to approach the pier head..

Continue to pass between the face dock and the three green stbd marker buoys to the marina.

Shallow areas lie to the south of the marker buoys and to the east of the two green buoys which mark the dock ground anchors on the eastern side of the pontoons.
